

Project On Brand

User Stories

1. As a logged out new user, I want to create an account and login
2. As a logged in new user, I want to answer a few questions about my favorite brands, fit preference, and size, favorite colors, spend
3. As a logged in existing user, I want my page to be populated with products from my favorite brands by category
4. As a logged in existing user, I want to like/dislike products
5. As a logged in existing user, I want to adjust filters (fit, size, colors, spend) which would change the products that I see
6. As a logged in existing user, I want to be able to purchase products with an affiliated link to the retailer's website
